Dear Customer Service;

I would like to thank you for such outstanding service. We did not expect the response you gave.

You have 2 customers for life! Plus, everyone we know who rides will know this fact.

We have and will take Mr. Happy on many adventures. He is a part of the family.

I recently bought an extra Mr. H. - he is at work helping children cope with scary tests that aren't pleasant. He sits on my boss's desk for all to see!

Thank you again!

Also, page 50 of the catalog is won the road!

Mr. Happy is Lost

Most recently seen snuggling in the right arm of a freshly minted Darien jacket in northern Virginia.

Possibly on adventure that will bring him home but he is very much missed from his home of more than 5 years.

May have started a journey to the Mecca of Duluth, MN to visit old friends and make new ones along the way.

We think he the smell of the new Darien may have triggered a beacon to travel to the Motherland.

If you come across him, approach with caution and fine single malt whisky. He has been known to slay dragons, fight lobster and keep the company of loose women.
